

Cynthia Isadora Betancourt

April 4, 1961 - February 20, 2019

Cynthia Isadora Betancourt, 57, of Buckeye, Arizona passed away on February 20, 2019 in Goodyear, AZ.

She was born on April 4, 1961 to Raymond Hurtado and Guadalupe Hinojosa in El Mirage, AZ.

Cynthia is survived by her loving husband of 37 years Enrique, Children; Gabriel Abasta, Nina (Michael) Ferguson, Angelita (Paul) Reyes, Victoria (Ray) Morales, Corina (Rueben) Morales and Ricardo Betancourt. 33 Grand Children and 6 Great Grand Children.

Our Mom was known to many people for her Big Heart and Self-Sacrificing ways whether it was a hug, a kiss, food to eat, clothes to wear, a shoulder to lean on, a ear to listen with or even her last dollar Our Mom gave it.

She was loved by all those who came into her life. Whether you where a stranger on the street, someone she just met or known for years Mom made sure you smiled.

She was your typical Mom. Always making sure you ate, making sure you where always okay, telling you to text or call when you made it to your location (Mom always worried till she got that text).

For those who truly know Our Wife/Mom/Nana knew her health wasn't in its best. She underwent a liver transplant 8 years ago and within 2-3 weeks was out of Both, the hospital and rehabilitation. Momma shocked us all.

She's a fighter, she's a warrior, she's the strongest woman I know. As moms time drew close even though it was unexpected and None of us where ready. We knew Mom fought a good fight and she fought with all her might. She was ready.

As much as it broke all our hearts who surrounded her and watched her leave. We as Her Husband and Her Kids know she is no longer in pain nor is she suffering.

Moms doing all the things she wished she could do but wouldn't. From eating peanuts, chewing bubble gum to dancing in the rain barefoot with not a care in the world about getting sick..

There is no more getting sick for Mom.

Momma you've gained your Angel Wings and now you watch us from the Heavens above.
Don't worry about Daddy we all got him now. You go on and rest.
You will be missed that's for sure. We Love You Mom. Until we all meet again.

She was preceded in death by mother, Guadalupe Castillo and grand son, Robert Morales.

Visitation will be held Wednesday, February 27, 2019, 12:00 pm - 3:00 pm at Samaritan Funeral Home, Phoenix, AZ.

“ 1 month Mom..... Damn this sucks. I feel like I'm losing myself sometimes. I know it's not what you would've wanted. I'm trying so hard to keep things together. I know I have to keep going For everyone. I promise I'll try to get back to my old self. I love you Mama.

“ 2 more days mom and it'll be a month since I've seen your face since I've heard your voice. Mom I miss you so much. Everyday I think of you. Everyday I miss you. I'm trying to get through this but it just feels like it's getting harder. I want to pick up my phone and call you with my problems or my secrets but I can't. I just want to hear you say it'll be ok. But I won't. I know you see and hear everything but without your presence it's not the same. I love you Mama and I miss you.

“ When you left that day on that airplane, you know the day, it was the saddest day of my life. I felt I lost my big Sister, my protector, my idol. I remember always looking up to you, wanting to be with you and be you. So many times the image of that day left me with a sadness and hole in my heart of you missing from my life. I would look up in the sky wishing you would come back, for so many years. I will always remember the fun and joy you brought me growing up, my big sister, my protector. I admire how you went on to do those things for your family. You held them all together, This is what I do for my children, thank you for teaching me that. I feel just as sad as that day you left, your really gone, I can't believe it. The only consolation I have is that you are with Mom. You finally get to be with Mom. I'm so happy you two are reunited. I know what you missed, Please continue to be our protector and watch us from above. Your family and me can always use your guidance.'Give Mom a big hug and kiss for me. I love you.

“ Dios no se deleita cuando alguien muere, dice la Biblia en Ezequiel 18:32. Cuando el hijo de Dios, Jesucristo, estuvo en la tierra curo enfermos y resucito muertos. En una ocasion se enternecio al ver una viuda que iba en camino a enterrar a su unico hijo. Jesus resucito o sea le devolvio la vida al joven (Lucas 7:11-17). Imaginase la alegria de esa madre. Jehova Dios prometio que pronto lo mismo va a pasar con todos los que estan en las tumbas conmemorativas (Juan 5:28, 29). Que maravilloso sera cuando volvamos a ver vivos en la tierra a nuestros seres queridos que han muerto (Salmos 37:11, 29). Los animo a leer estos versiculos en su Biblia para hallar consuelo en la esperanza de la resurrección.

“ My deepest condolences to the family at this difficult time. I hope the words at Rev.21:4 bring you comfort. It says: "God will wipe out every tear from their eyes,and death will be no more,neither will mourning nor outcry nor pain be anymore. The former things have passed away." Please know you are in my thoughts and prayers.
