“ Querido Tio, you are now at peace. All of my memories of you, as far back as I can remember, are all full of joy, humor, and so optimistic. Your presence was magnetic and you had such a radiance about you. You always reminded me of a mixture of Robin Williams (powerful presence, humor and voices) Jerry Lewis (again, comedic legend) lol. Until your last days, you gave people weakness in their legs, cramps in their sides, and pain in their cheeks, with your hilarious anecdotes. With not only my eyes, but with my heart, I felt the love and affection you had for your children. I remember you would stop anything just to lay with Marquito, because he would stroke your ear to fall asleep. You wouldn't skip a beat, stall, complain, or deny him of your ear. Lol. What matters in life is what is deep inside. All the way inside of us, underneath all the layers. When the end is near, none of the other b.s. matters. What people remember is the happy times, and there are so many of those times where you have warmed us with your smile. Your absence is deafening. You will be missed by many, and we will selfishly be wishing you were here. But now you watch over us, pain-free, cancer free, laughing, smoking, and protecting us alongside Tia Avi and Sam .

"God saw you getting tired
when a cure was not to be,
So he put his arms around you and whispered 'come to me'
With tearful eyes we watched you
And saw you pass away.
And although we love you dearly,
We could not make you stay.
A golden heart stopped beating,
Hard working hands at rest.
God broke our hearts to prove to us
He only takes the best."

“ RIP BROTHER-IN-LAW
Marcos, no more Chemo, Radiation, Surgeries, pain, suffering... what humans weren't able to do our Big Healer Above did. You are "Healed". You won the battle against Cancer. You have a new Healthy Body in Heaven and we miss you but in our Souls the Blessed Assurance that we will reunite in the Kingdom were there is no Pian, Hate, Division, Betrayals, Hypocrisy, Wars, no Evil as we witness daily. I can feel you reunited with many but mostly with my Son Sam Gajardo, your Nephew. Rest peaceful Marcos. We love you forever!
