“ Maggie, both Millard and I will miss your wit, wisdom and love of life! Your joy at doing the simplest things was contagious. We will miss your smile, dear friend, but are so glad that you are not in constant pain anymore.

“ What a wonderful woman she was. Our memory was of a woman that opened her heart and her home to us when we visited New Mexico and Michael's parents, and treated us like we were old friends. We'll always remember her.....

“ I remember spending multiple Christmas' with my Aunt Maggie and spending time with her up in the Hills. She was always so kind to my sisters and I. She always made our time together special. I loved hearing stories about where my Grandma grew up in Scotland. She was one more connection to my Grandma I never had the privilege of meeting. Aunt Maggie was a brave lady in so many ways. Being brave doesn't mean you're not ever scared, but that you push forward in spite of your fears. I am thankful for the great memories I have with her.

“ I am so saddened by this news. Maggie you were a wonderful person. We connected as friends from the start. I am going to miss not seeing you when we return home. I prayed so hard that you would come through and tell me all about it. I texted your phone every time they was an update from Mike. Mike our thoughts and prayers are with you and your family at this time of great loss. I'll forever remember the two of you dancing and the smile on Maggie's face. RIP Sweet friend. You will be missed.

“ I have only good memories of fun times at Aunt Maggie's house. The things I remember most fondly are playing on her waterbed, using pennies to buy gumballs from the gumball machine in her fancy bathroom, watching the birds eat from her bird feeders on her deck, and playing black jack with her in the livingroom. I remember how we were so excited to hear about her trip to Scotland & couldn't wait to see all of the things she brought back. I'm glad for her interest in genealogies & family history & I'm thankful that we recently reconnected. Love you, Aunt Maggie... you'll be missed.
